Student Social Events

Revised Date:
10/21/14

Events which enhance social development may be conducted by schools but must not interfere with the scholastic program in any school.

Student organizations may sponsor social events which are planned under the guidance of club sponsors or school administrators, scheduled well in advance, and serve to complement the curricular program. Minimal admission fees may be charged to defray costs.

Social events scheduled for out-of-school hours shall be approved by the principal. Activities scheduled outside of the system must be approved by the director of schools and/or the Board.

Annual school proms have board approval provided that adequate supervision is secured.
